Subject: EPA Presentation at CAC meeting of 1-24-2013

Good morning,

I'm following up on the posting of the presentation made at the last CAC meeting of January 24, 2013. My understanding was that the PowerPoint presentation would be posted on EPA's website, but I have been unable to find it on the website. Could someone please email me the presentation (or send me the link to where the presentation is posted on the website)? Thanks very much for your help.
